Information/Registration

Intended audience:

The CAS arbitrators, counsel and lawyers who operate in the areas of arbitration and sports law, representatives of associations or federations, in-house counsels to companies in the "sport business" whose contracts or bylaws provide for the resolution of any disputes by arbitration before the CAS.

Purpose of the seminar:

This seminar proposes, in its first day, to draw up an inventory of sports-related arbitration at the CAS: what are the challenges that the institution is facing? Speakers will deal further with issues that can be considered at the intersection of commercial and sport arbitration. The second part of the day will look at procedural matters, as well as on 20 years of work of the CAS Ad-hoc Divisions at the Olympic Games. The second day has now become a tradition, and will be devoted to case law review on doping and on international football matters.

Place:

The conference will take place at the Hotel Beau-Rivage Palace, Lausanne.

Language:

The lectures will be held in French or English with simultaneous translation in the other language of the seminar.

Conditions of registration:

The registration fee for the seminar is CHF 660.00 for members of the SAV/FSA, the CAS and the ASA and CHF 760.00 for all other participants. Included in this price are contributions for the seminar, as well as lunch and gala dinner on 2 September 2016 at the Hotel Beau-Rivage Palace.
