**FELIPE DE VIVERO ARCINIEGAS**  
**Lawyer**

More than 30 years of experience in administrative law and litigation. As a founding partner of De Vivero & Asociados, he leads a practice dedicated to advising public and private entities across complex sectors, including public law, utilities, transportation, telecommunications, infrastructure, mining, hydrocarbons, state structure, and sports law. His practice also encompasses high-stakes litigation, constitutional actions, administrative disputes, and representation before domestic and international arbitration tribunals.

With extensive experience in dispute resolution, he frequently serves as counsel before high courts. He is a member of List A of the Arbitration and Conciliation Center of the Bogotá Chamber of Commerce, as well as the arbitration centers of Medellín, Cali, Cartagena, and Pereira. Internationally, he has served as an arbitrator for the Court of Arbitration for Sport (CAS) since 2019, and domestically for the Disputes Chamber of the Colombian Football Federation since 2017.

In academia, he holds the position of Associate Professor at the University of Los Andes, where he serves as Director of the Caribbean Campus. His academic leadership includes directing the Master's program in Public Law for Administrative Management, as well as the specialization in Public Management and Administrative Institutions across the Bogotá and Cartagena campuses. Additionally, he lectures in postgraduate programs at prestigious Colombian institutions, including the Pontifical Javeriana University, the University of Rosario, and the University of the North.

A recognized authority in his field, he has contributed to several review committees for the State Contractual Statute. He has also directed the Public
