- Founded institute to support business goals in sports industry through assessment and intervention on sports business and sport governance issues including crisis management, organizational culture, Title IX issues, and conflict
- Led crisis response in high profile issues around Title IX, sexual misconduct, harassment, hazing, bullying, and abusive cultures
- Led high-performance negotiation capability building programs that included individual and organizational assessment, custom curriculum development, training, advising, organizational change

- Launched the Competition Not Conflict Pro Bono Public Sports Ombuds Program providing accessible conflict resolution services for sports organizations and stakeholders
- Specialized in mitigating reputational and brand damage to institutions and individuals
- Arbitrator for the Court of Arbitration for Sport (CAS) on both the Football and General lists
- Arbitrator for the United States Olympic & Paralympic Committee (USOPC) Dispute Resolution Unit arbitrating Section 8, Section 9, Section 10, Section 11 Athlete Safety, Background Check Appeals, NGB and USOPC Internally Managed Sports Appeals and Participation cases
- Salary Arbitrator for Major League Baseball and Major League Baseball Players Association under Article VI, Section E of the CBA
- Grievance Arbitrator for United States Soccer Federation (USSF)
- Chair of USATF SafeSport Background Screen Appeals Panel and SafeSport Resolutions Hearing Panel
- Advisor, External Ombuds, Mediator, and Arbitrator for FAIR Sports, providing collegiate sports dispute resolution services
- Mediated complex issues in sport governance internationally and domestically
- Led major conflict capabilities projects for a premier youth sports platform serving 635,000+ athletes annually across 15+ venues and an international sports federation, including deep organizational assessment and customized curriculum development and delivery
- Assessed organizations, administrators, coaches, and athletes using both customized instruments and Athlete Assessment toolset
- Developed resource center for administrators, coaches, athletes, and supporters to be able to access information and tools necessary for overcoming issues that regularly arise in athletics
- Built the Strategic Negotiation Pro GPT, a custom AI tool for industry professionals and students based on the Strategic Negotiation framework
- Managed all marketing including SCI TV, SCI Talk, Press Releases, Website Development and Content, Social Media (Twitter, LinkedIn, Facebook, Google+, YouTube, iTunes)
- Engaged organizations and individuals from NFL, NBA, MLS, MLB, NHL, NCAA, PGA, LPGA, WWE, ATP, WTA, NRL, and more.

University of Oregon School of Law

2010-2013

Eugene, OR

Director and Instructor

- Facilitated comprehensive strategic planning effort and implemented vision for Competition Not Conflict program dedicated to conflict management systems, tools, research, and education in the sports business
- Successfully transitioned budget from its single donor-based origins to diverse revenue streams from courses and multiple donors to develop positive budget that helped support other law school programming
- Cultivated high level donors for ADR Center, Law School, Conflict Resolution Masters program, and CNC, including, coordination and participation in all key alumni engagement and fundraising events
- Partnered with Holden Leadership Center to outline specific student-athlete needs related to alternative breaks and service-learning opportunities
- Partnered with Conflict Resolution (CRES) to create academic programming for nearly 1300 students
- Established and supervised the Kidsports Ombuds internship program – first of its kind nationally - that led to multiple graduate students obtaining industry jobs

- Partnered with Oregon Athletics to develop numerous internship opportunities for graduate and undergraduate students while providing value-added services to the department
- Assessed and re-developed Heroes Cup Point System to promote career, academic, personal, athletic, and service-learning opportunities for student-athletes
- Developed and implemented comprehensive marketing approach building off a thought leadership foundation to attain national recognition; including public speaking engagements with audiences from the sports industry

Part of the Solution ADR Services

1993-2010

Boston, MA

Principal and Senior Practitioner

- Spearheaded the concept, business plan, and execution of a successful consulting company specialized in developing negotiation as a core organizational competency, facilitating strategic planning and complex organizational change, and providing mediation services for individuals and organizations dealing with reputation harming conflict
- Secured multimillion dollar savings for clients by introducing negotiation theory, processes, and skills to C-level executives and other senior staff at McDonalds, WPP, Ogilvy & Mather, JWT, Y&R, Shell, HP, John Hancock, Manulife, Fidelity, Bose and others through effective training, advising, and organizational change
- Achieved 95% success rate for mediated disputes involving workplace, commercial, multi-party housing conflicts, privacy and security, small claims, landlord/tenant, parent/child, gang related conflict, and divorce
- Spearheaded the development of Outside the Box/Inside the Ring conflict resolution curriculum resulting in worldwide adoption in schools, after-school programs, and violence prevention organizations
- Facilitated multi-party dialogue including key government and industry stakeholders on Vermont and Alaska's energy future, the role of dispute resolution for the transition to electronic medical records, urban planning initiatives in the Boston area, and change in the juvenile justice system to provide alternatives to detention
- Instrumental in leading dialogue between Alaskan state legislators, governor's office, and leaders in energy industry focused on a \$500M legislative bill on natural gas
- Trained hundreds of individuals in basic and advanced mediation skills in partnership with the Community Dispute Settlement Center, OptionBridge, Boston College Law School, and Suffolk University Law School
- Formed partnerships with peers in the ADR field from Consensus Building Institute, OptionBridge, Mediation Works Incorporated, LaxSebenius, Massachusetts Attorney General's Office, Center for Technology and Dispute Resolution, University of Massachusetts Graduate Programs on Dispute Resolution, and CDSC

Manulife Financial Services / John Hancock Financial Services

1998-2005

Boston, MA

Organizational Change Leader

- Fast-track promotion through a series of increasingly responsible positions based on strong performance in workforce reengineering, process optimization, project management, productivity improvement, and quality management including Organizational Developer, Quality Assurance Manager, Senior Business Analyst, and Project Manager
- Researched, analyzed, and managed readiness and demutualization project to negotiate transfer from a mutual to a publicly held corporation

- Changed organizational competency on projects over \$1M from 65% cancellation rate to 95% on-time, under budget, with minimal defects by proposing and executing new quality assurance functions, process redesign, training, and deployment
- Championed the organizational direction and transition from CMM Level 0 to Levels II and III, a feat that less than 5% of organizations accomplish
- Led organizational change initiatives to assess negotiation capabilities, compliance, and core business functions to attain Sarbanes-Oxley Certification readiness
- Secured significant revenue by pioneering expansive change projects for financial services company with focus on aligning interests, and enhancing negotiation and risk mitigation skills
- Managed multiple internal marketing initiatives to support John Hancock Financial Olympic Sponsorship, Boston Marathon, and Major League Baseball sponsorship including events, activation, and messaging

Commonwealth of Massachusetts

1993-1998

Boston, MA

Organizational Developer

- Served in various leadership capacities for the Massachusetts Department of Social Services, Department of Mental Retardation, Department of Youth Services, and Office of the Attorney General including Organizational Developer, Licensed Social Worker, and Mediator/Trainer
- Constructed Conflict Intervention Team and Student Conflict Resolution Experts focused on addressing large and volatile disputes
- Created cutting edge mediation program
- Led the introduction of a \$50M IT system and the concurrent organizational redesign along with department-wide training to enable national communication between child protection agencies
- Gained special recognition by the Commissioner for exemplary leadership during the execution of State Automated Child Welfare Information Systems Project
